PAGB E-News

We urge you to have a read of this PAGB newsletter as it contains a plethora of interesting articles, news and photographs. You can see the latest newsletters (as well as an archive of previous newsletters) [here](#).

Important Notice about email scams

Watch out for those tired old 'substitution' email scams, they are doing the rounds again.

What happens is that you get an email from someone pretending to be an officer of your club or your Federation and they are asking you for some kind of help, financial of course.

Note, **emails are not being hacked**. They just pretend to be someone else by covering the actual sending email address. A recent email to me came from mailing79joo@gmail.com but a familiar name was used to disguise that bit.

Report all such emails by forwarding them to: report@phishing.gov.uk

Be vigilant. Don't open any suspicious attachments or follow unusual links.
